

please find below some further information concerning the public transportation from Rome Airports to L'Aquila.

You can see a timetable here and also purchase e-tickets:

<http://www.gasparionline.it/>

The busses are available both from Airport Fiumicino and Ciampino or at the train station Roma Tiburtina. Please note that Tiburtina is not the main station but you have to proceed there using the Metro.

The buses stop in L'Aquila at Hotel Amiternum. From there we have to take any bus going towards the city centre and get off at Terminalbus Collemaggio. Mrs. Sartini sent you a map with the information how to get from there by walking to the Hotel.
